RE: Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Subject: Launch of Wireless Network Connectivity Solution: A new line of products under brand name "IO".

Dear Sirs/ Madam,

We are pleased to inform all the stakeholders that the Company has successfully developed a new line of advanced wireless network connectivity solution which shall be marketed under the brand name "IO", an acronym for Input-Output. IO is a platform to bring in efficiency and intelligence to mobility and assist citizens to use the most advanced Wi-Fi technology products and solutions.

The complete network solution is based on latest and upcoming international standards as a results of the Company's own R&D initiatives which have fully designed, developed and manufactured the solution in India with full IPR ownership residing with the Company in India.

The entire portfolio of products is designed to be world-class and ready to compete with global brands. All these products are extremely power efficient and fully compliant with the Policy for Preferential Market Access (PMA) of the Government of India.
