VIJENDER JAIN J. (Oral)

This is a petition under Sections 391 and 394 of the Companies Act, 1956 to sanction the scheme of amalgamation between M/s. Himachal Telematics Limited (hereinafter referred to as the "Transferor Company") and M/s. Himachal Futuristic Communications Limited (hereinafter referred to as the Transferee Company"). The main object which is sought to is achieved by the proposed scheme of amalgamation is the combining of the multifarious activities presently being carried out by the two companies under separate umbrellas with a view to enable them to have greater control over the production and marketing function. The amalgamation scheme is for better and profitable utilisation of combined resources of both the companies and to present a consolidated projection to the investors. The scheme of amalgamation was approved by the equity shareholders as well as all classes of creditors i.e. secured and unsecured creditors of the transferor as well as transferee company. The scheme has already been approved by the High Court of Himachal Pradesh at Shimla vide order dt. 10.01.1996 subject to scheme finally approved by this Court. No objection for scheme of amalgamation has been received from any shareholders or any class of creditors.

2. The main objects of the petitioner/transferor company are primarily to manufacture of digital microwave Radios and also to carry on the business of designers, developers, manufacturers, sellers, buyers, importers, exporters, stockists and distributors and /or other dealers in telecommunication equipment and/or mass consumption terminal equipment etc. The authorised capital of the petitioner/transferor company as on 31st March, 1995 was Rs. 50,00,00,000 divided into 5,00,000 equity shares of Rs. 10/- each and the paid up capital as on 31st March, 1995 was Rs. 24,23,07,000 divided into 2,42,50,000 equity shares of Rs. 10/- each.
3. The transferee company was incorporated on 11.05.1987 as a public limited company and is primarily engaged in the business of designers, manufacturers, assemblers, sellers, buyers, importers, exporters, stockists and distributors and /or otherwise dealers and telecommunication equipment like electronic rural automatic, electronic private automatic branch exchange, transmission equipment, modems, intergrate digital network systems, component, sub-system, wireless telephone, cellular radios, multiaccess rural radio telephone system with their accessories and associated equipment, all types of speech secrecy equipment, using various techniques, suitable for telephones, and radio communication equipment, facsimile, systems, teleprinters, teletext, and videotex systems, electronic typewriters and copying machines and subscriber carrier systems etc.
4. A copy of the scheme of amalgamation has been filed as Annexure E to this petition. The petitioner/transferor company filed an application bearing C.A No. 587/95 under section 391 of the Companies Act, 1956 seeking a

direction from this Court to convene and hold the meetings of the equity shareholders and secured and unsecured creditors for the purpose of considering and if thought fit approving with or without modifications the proposed scheme of amalgamation and to put it into effect. It is also mentioned in the petition that pursuant to the orders dated 21.08.1995 the High Court of Himachal Pradesh, Shimla, had directed the transferee company-HFCL to convene the meetings of their equity, preferential shareholders, secured and unsecured creditors for the purpose of considering and if thought fit, approving with or without modifications the proposed scheme of amalgamation and to put it into effect.

5. This Court appointed Chairmen for conducting the meeting of the equity shareholders, secured and unsecured creditors of the Applicant Company. On 11th October, 1995 clubbed meetings of the shareholders and secured and unsecured creditors of the applicant company were duly held in accordance with the order of this Court.
6. The Chairperson submitted the report. It is stated that the scheme of amalgamation as modified in the meeting of creditors was unanimously approved by the shareholders and the creditors of the transferor company in the meetings held for this purpose.
7. The Official Liquidator has also given its report and it has been stated that the affairs of the transferor company have not been conducted in a manner prejudicial to the interests of its members, creditors, or of public interest. However objection has been raised by the Regional Director, Northern Region, Department of Company Affairs, invoking the aid of Section 42 and 77 of the Companies Act.
8. According to Mr. Tikku, learned counsel appearing for the Department of the Company Affairs, the proposed scheme of amalgamation is hit by Section 42 of the Companies Act. Section 42 of the Companies Act reads as under :-

“42. (1) Except in the cases mentioned in this Section, a body corporate cannot be a member of a company which is its holding company and any allotment or transfer of shares in a company to its subsidiary shall be void.”

9. Another objection which has been raised, by the learned counsel for the respondent is that the scheme of amalgamation is also inconsistent with the provisions of Section 77 of the Companies Act. Section 77 of the Companies Act is as under :-

“77. (1) No company limited by shares and no company limited by guarantee and having a share capital, shall have power to buy its own shares, unless the consequent reduction of capital is effected and sanctioned in pursuance of Sections 100 to 104 or of Section 402.”

- (2) No public company, and no private company which is a subsidiary of a public company, shall give, whether directly or indirectly, and whether by means of a loan, guarantee, the provision of security or otherwise, any financial assistance for the purpose of or in connection with a purchase or subscription made or to be made by any person of or for any shares in the company or in its holding company :

Provided that nothing in this sub-section shall be taken to prohibit --

- (a) The lending of money by a banking company in the ordinary course of its business; or
- (b) The provision by a company, in accordance with any scheme for the time being in force, of money for the purchase of, or subscription for, fully paid shares in the company or its holding company, being a purchase or subscription by trustees of or for shares to be held by or for the benefit of employees of the company, including any director holding a salaried office or employment in the company ; or
- (c) The making by a company of loans, within the limit laid down in sub-section (3), to persons (other than directors, managing agents, secretaries and treasurers or managers) bona fide in the employment of the company with a view to enabling these persons to purchase or subscribe for fully paid shares in the company or its holding company to be held by themselves by way of beneficial

- (3) No loan made to any person in pursuance of clause (c) of the foregoing proviso shall exceed in amount his salary or wages at that time for a period of six months.
 - (4) If a company acts in contravention of sub-section (1) to (3), the company, and every officer of the company who is in default, shall be punishable with fine which may extend to one thousand rupees.
 - (5) Nothing in this section shall effect the right of a company to redeem any shares issued under Section 80 or under any corresponding provision in any previous companies law.
10. The sum and substance of the arguments advanced by the learned counsel for the respondent before me is that the transferee company has got a subsidiary HFCL Trade Invest Ltd., which is holding shares of the transferor company and after the scheme of amalgamation is sanctioned by this Court, the transferee company will be holding the shares of its subsidiary company which is not in conformity with the provision of Section 42 of the Companies Act. Similar objection has been raised pursuant to the effect of Section 77 of the Act.
 11. On the other hand learned counsel for the petitioner, Dr. Singhvi, has contended that dealing with the argument regarding violation of Section 77 of the Companies Act, no violation would result as a result of sanctioning the scheme of amalgamation. Dr. Singhvi has contended that there is no share which is being bought its own by the transferee company and on this short ground itself the objection regarding Section 77 is untenable in law.
 12. Dr. Singhvi has contended that Sections 391 to 394 of the Companies Act are sufficient code to take into consideration any eventuality which crops up after the scheme of amalgamation has been presented to the Court and if the Court is satisfied that the scheme does not adversely effect the interest of shareholders or otherwise do not effect the public interest, the Court has plenary as well as residuary power of the Act to sanction the scheme. In support of his contention Dr. Singhvi has cited S.K. Gupta and another vs. K.P. Jain and another (AIR 1979 SC 734), Mansukhlal Vs. N.V. Shah, Official Liquidator, Liquidator of Hathisingh Mfg. Co. Ltd. ((1976 (Vol. 46) Company cases 279) and Mehtab Chand Golcha Vs. Official Liquidator Golcha Property (Pvt.) Ltd. and another (1981 (Vol. 51) Company Cases 103). Dr. Singhvi has further contended that as a matter of fact while dealing with the provisions of Section 391 and 394 of the Companies Act, the legislature has invested wide amplitude of power to this Court and has also cited PMP Auto Industries Ltd. case, wherein the learned judge of Bombay High Court has used the phrase “Single Window Clearance” as reported in 1994 (Vol. 80) Company Cases 289.
 13. I have given my careful consideration to the submissions made by learned counsel for both the parties. There is no doubt that the powers given to the Court under Sections 391 to 394 of the Act pursuant to Chapter V which starts with arbitration, compromise, arrangements and reconstructions, are of wide amplitude for carrying out of compromise and/or arrangement and also the consequential power to make the supervision effective by removing obstacles. The very heading of Chapter V suggests that the powers which are invested in Courts not only deals with power of compromise, but it also deals with power where arbitration has taken place, arrangements have been entered into between two or more corporate entities or any scheme of reconstruction has been placed before the Court. Obviously the legislature was mindful of the fact that in relation to these kinds of arrangements where two distinct corporate bodies would like to enter into an agreement, arrangement for the purpose of reconstruction or for any purpose which is conducive to the interest of shareholders, there has to be no obstacles and that is why Section 394 of the Companies Act provides with wide amplitude of powers to the Court.

Section 394 of the Companies Act is as follows :-

- “394. (1) Where an application is made to the Court under Section 391 for the sanctioning of a compromise or arrangement proposed between a company any such persons as are mentioned in that section, and it is shown to the Court --
- (a) That the compromise or arrangement has been proposed for the purpose of, or in connection with, a scheme for the reconstruction of any company or companies, or the amalgamation of any two or more companies; and

- (b) That under the scheme the whole or any part of the undertaking, property or liabilities of any company concerned in the scheme (in this section referred to as a “transferor company”) is to be transferred to any company (in this section referred to as “the transferee company”);

The Court may, either by the order sanctioning the compromise or arrangement or by a subsequent order, make provision for all or any of the following matters ;

- (i) the transfer to the transferee company of the whole or any part of the undertaking, property or liabilities of any transferor company;
- (ii) the allotment or appropriation by the transferee company of any shares, debentures, policies, or other like interests in that company which, under the compromise or arrangement, are to be allotted or appropriated by that company to or for any person;
- (iii) the continuation by or against the transferee company of any legal proceedings pending by or against any transferor company;
- (iv) the dissolution without winding up, of any transferor company;
- (v) the dissolution to be made for any person who, within such time and in such manner as the Court directs dissent from the compromise or arrangement; and
- (vi) such incidental, consequential and supplemental matters as are necessary to secure that the reconstruction or amalgamation shall be fully and effectively carried out:

[Provided that no compromise or arrangement proposed for the purpose of, or in connection with, a scheme for the amalgamation of a company, which is being wound up, with any other company or companies, shall be sanctioned by the Court unless the Court has received a report from the Company Law Board or the Registrar that the affairs of the company have not been conducted in a manner prejudicial to the interests of its members of to public interest”

14. So vast are the powers under Sections 392 and 394 of the Act, according to Supreme Court which dealt with in detail to the following effect in S.K. Gupta’s case (supra) :-

“When a scheme is being considered by the Court, in all its ramifications, for according its sanction, it would not be possible to comprehend all situations, eventualities and exigencies that may arise while implementing the scheme. When a detailed compromise and/or arrangement is worked out, hitches and impediments arise and if there was no provision like the one in Section 392 the only obvious alternative would be to follow the cumbersome procedure as provided in S. 391 (1), viz., again by approaching the class of creditors or members to whom the compromise and/or arrangement was offered to accord their sanction to the steps to be taken for removing such hitches and impediments. This would be unduly cumbersome and time consuming and, therefore, the legislature in its wisdom conferred power of widest amplitude on the High Court under S.392 not only to give directions but to make such modification in the compromise and/or arrangement as the Court may consider necessary, the only limit on the power of the Court being that such directions can be given and modifications can be made for the proper working of the compromise and/or arrangement. The purpose underlying S.392 is to provide for effective working of the compromise and/or arrangement once sanctioned and over which the Court must exercise continuous supervision and if over a period there may arise obstacles, difficulties or impediments, to remove them, again, not for any other purpose but for the proper working of the compromise and/or arrangement. This power either to give directions to overcome the difficulties or if the provisions of the scheme themselves create an impediment, to modify the provision to the extent necessary, can only be exercised so as to provide for smooth working of the compromise and/or arrangement. To effectuate this purpose the power of widest amplitude has been conferred on the High Court and this is a basic departure from the scheme of the U.K. Act in which provision analogous to S.392 is absent. The sponsors of the scheme under S. 206 of the U.K. Act have tried to get over the difficulty by taking power in the scheme of compromise or arrangement to make alterations and modifications as proposed by the Court. But the legislature foreseeing that a complex or complicated scheme of compromise or arrangement spread over a long period may face unforeseen and unanticipated obstacles, has conferred power of widest amplitude on

on the Court to give directions and if necessary, to modify the scheme for the proper working of the compromise or arrangement. The only limitation on the power of the Court as already mentioned, is that all such directions that the Court may consider appropriate to give or make such modifications in the scheme, must be for the proper working of the compromise and/or arrangement”.

15. Therefore, where Court is prime facie satisfied from material on record and on the opinion of Company Law Board or Department of Company affairs that the affairs of the Company have been conducted in a manner which is not prejudicial to the interests of its members or of public interest, Court will sanction such scheme. A compromise or arrangement or a scheme of amalgamation may not be sanctioned by the Court if the affairs of the Company are conducted in a manner prejudicial to the interest of its members or public interest.
16. In the case before hand, the stand of the respondent is not that the affairs of the company are not being conducted in a manner which is prejudicial to the interests of its members. The stand, as has been contended before me by Mr. Tikku, is that the objection raised by respondent regarding Sections 77 and 42 of the Act would fall in the category of amalgamation not conductive in public interest. I am afraid, the argument of the learned counsel for the respondent is not well founded. The objection raised before this Court pursuant to Section 42 of the Act is that as a consequence of the scheme of amalgamation, there would be violation as transfer of shares from subsidiary company to transferee company would result and the same would be hit by Section 42. That objection, which I will deal with later, is not an objection in public interest. If the scheme of amalgamation is inconsistent with other provisions of Companies Act, then the legislature in its wisdom ought to have added in the proviso to Section 394 afterwards public interest or anything inconsistent with other provision of this Act. That being not the situation, in the plain language of Section 394, the Court cannot permit the respondent to read further condition which has not been intended in this Section. Three affidavits have been filed by the respondent, except taking objection to scheme being hit by provision of Section 42 and 77 of the Companies Act, it has not been mentioned how the scheme is against public interest. Rather in one of the affidavit filed by the respondent, the stand of the respondent is that scheme is otherwise in public interest.
17. Adverting to the submission of the learned counsel for the respondent that the scheme, if approve, would hit Section 42 of the Companies Act. Rule of interpretation of a statute is that statue has to be read harmoniously. If there is no controlling provisions in the subsequent Sections of the Act, then no other meaning can be assigned to the language of a Section. Where a company is in the process of incorporation, Section 42 falls in that part of the Companies Act, which deals with incorporation of company and matters incidental thereto. This part deals with Memorandum of Association, names of the companies, Article of Association, change of the registration of companies and Section 41 and 42 deals with membership of the company. From the plain reading of the Section it cannot be said that the Section is intended to be read with Section 391, 392 or 394 at the time when the scheme of amalgamation is pending before the Court for approval and when the shareholders and the creditors have approved the same and the respondent has also filed an affidavit that the affairs of the company are not conducted in a manner prejudicial to the shareholders or prejudicial to public interest.
18. In view of the foregoing discussions, I do not find any merit in the contention of the learned counsel for the respondent that Section 42 of the Act would be applicable to the scheme of Amalgamation.
19. It is also stated that no investigation or proceedings under Sections 235 to 251 of the Companies Act, 1956 are pending against the petitioner company.
20. Considering all the relevant facts and circumstances, the reason set out by the petitioner in support of the amalgamation, the unanimous approval given by the shareholders and the creditors and in view of the aforesaid discussions and in absence of any objections from the Official Liquidator, I hereby accord sanction to the said scheme of amalgamation Annexure-E (to the petition) providing for amalgamation of the transferor company with the transferee company and declare that the said scheme shall be binding on all the members, shareholders and creditors of the petitioner company w.e.f. appointed date i.e. 1.4.1995. It is open to any person interested to move this Court for appropriate directions as may be considered necessary in future.
21. The petition is accordingly allowed and disposed of.

Thereafter, four separate meetings of the equity share holders, preference share holders, secured creditors and unsecured creditors of the petitioner company were duly convened on 21.10.1995. In all the four the meetings, the Scheme of amalgamation of the two companies was approved without any modification and the reports in this behalf were submitted by the Chair persons.

This Court has been taken through the Scheme of amalgamation Annexure 'E' on record. This Court is satisfied that this scheme of amalgamation is in the interest of both the transferee and Transferor Company, as also in the interest of their shareholders. It has also come on record through this scheme that both the transferor and transferee company at present are engaged in the manufacture of telecommunication equipments as stated in the object clause of the Memorandum of Association of both the companies filed with this petition. It has also been reflected from the record that this amalgamation is being sought with a view to achieve rationalisation of the management structure and to avoid duplication of management, time and expertise and to achieve economies of scale for further and stable growth, expansion, modernisation and diversification of the business and to be able to withstand recession in business and for better and more; profitable utilisation of combined resources of the aforesaid two companies and to present a consolidated projection to the investors through the proposed scheme. The scheme also reveals that the share-holders in the transferor company will get three shares in the transferee company for every five shares of the transferor company and it has also been provided that the service of the employees of both the companies will be protected and will not be adversely affected at all. The creditors of petitioner company have also been adequately protected under the said scheme.

Dr. Singhvi, appearing for the petitioner company, has submitted that the objection raised by the Regional Director, Companies law Board, will not be of any legal importance so far as the present case is concerned. Section 94 (1) (e), according to learned counsel, is not at all attracted. As per facts revealed in the present petition, as there is no cancellation of shares or diminution in the share capital, therefore, the said objection raised was not legally maintainable. This contention on the basis of the record has to be favourably considered.

Taking into consideration the over all facts and the Scheme of amalgamation Annexure 'E' the scheme is not only reasonable and fair, but is not adverse to the interests of the creditors or the employees and more over all the formalities have been complied with in the present proceedings.

The petitioner's prayer for amalgamation as per Scheme Annexure 'E' of Himachal Telematics Ltd. (transferor company) with Himachal Futuristic Communication Ltd. (transferee company), is hereby accepted and this amalgamation shall be subject to the order passed by the Hon'ble High Court of Delhi in a such like petition, preferred by transferor company. The Scheme Annexure 'E' shall form part of this order. The transferee company shall cause a certified copy of this order to be filed with the Registrar for registration within 30 days from today. This petition stands disposed of accordingly.

IN THE HIGH COURT OF HIMACHAL PRADESH, SHIMLA

Company Petition Nos. 1 and 2 of 2003:

Date of Decision : 28th March, 2003:

In the matter of HFCL Trade-Invest Limited.

Coram

The Hon'ble Mr. Justice Arun Kumar Goel, Judge.:

Whether approved for reporting ? No

For the petitioner : Shri Bishwajit Bhattacharya
Deepak Gupta and Raman Sethi, Advocates

For the Official Liquidator : Shri Ajay Mohan Goel, Advocate.

Arun Kumar Goel, Judge (Oral):

Heard learned counsel.

It is proposed to disposed off Company Petition No. 1 of 2003 and Company Petition No. 2 of 2003 by this common order as both are inter-connected.

These petitions have been filed under Section 391 (2) and Section 394 of the Companies Act, 1956 praying for according sanction to the scheme of amalgamation of HFCL Trade Invest Limited, hereinafter referred to as "the Transferor Company", petitioner in Company Petition No. 2 of 2003 with Himachal Futuristic Communications Limited, hereinafter referred to as "the transferee company", petitioner in Company Petition No. 1 of 2003 .

Facts as those emerge from the record of both above company petitions are as under :-

1. The Registered Office of the Transferor and the Transferee Companies are situated at Chambaghat, District Solan within the territorial jurisdiction of this Court.
2. The Scheme of amalgamation is to amalgamate the Transferor Company which is wholly owned subsidiary of the Transferee Company. The objects and the salient features of the Scheme and the circumstances necessitating the amalgamation of these companies have been explained in the petitions. I find no reason to disagree with the expectations of the petitioner Companies.
3. The audited balance sheet and the profit and loss account for the year ended 31st March, 2002 of both the transferor and the transferee companies having been placed on record together with the resolution of the respective Board of Director approving the scheme of amalgamation.
4. It has also been submitted that there are no investigations or proceedings pending against any of the aforesaid petitioner companies under Sections 235 to 251 of the Companies Act, 1956.
5. Vide order of this Court dated 30th December, 2002 in Company Petition No. 9 of 2002, the meeting of equity shareholders of the transferee company was directed to be convened under the Chairmanship of Shri Praneet Gupta, Advocate. The said meeting was duly convened on 3rd February, 2003. Shri Praneet Gupta, Advocate, Chairman of the meeting has submitted his report. Learned counsel of the transferee company reiterate that all the share-holders present in the meeting have unanimously approved the scheme of amalgamation. Further, the equity share-holders also approved the special resolution confirming the utilization of the share premium account of the transferee company not exceeding Rs. 1100 crore to write off miscellaneous expenditure and also the goodwill, if any, arising out of recording of assets and liabilities of the transferor company in the books of the transferee company at a fair value as per purchase method specified in the Accounting Standard-14 of the Institute of Chartered Accountants of India and this is to be done on the appointed date, i.e. 31st March, 2003. It was also submitted by the counsel of the transferee company that the utilization of the share premium amount results in the reduction of capital under section 100 of the Companies Act, 1956. On the request of the transferee company, this Court granted leave to file Form of Minutes proposed to be registered under Section 103(1)(b) of the Companies Act, 1956. The said minutes are taken on record. The meeting of preference share-holders and creditors of the transferee company was dispensed with, as the proposed scheme did not affect the rights of these persons as informed by the counsel of the transferee company. Meeting of the share-holders of the transferor company was dispensed with by the order of this Court dated 30th December, 2002 in Company Petition No. 8 of 2002, as the transferee company was the sole share-holder in the transferor company and it has filed no objection to the scheme. By the same order, the meeting of the creditors of the transferor company was also dispensed with as no objection letters of all the five creditors of the said company were filed.
6. Both transferee as well as transferor companies thereafter filed the present petitions for sanctioning the scheme of amalgamation. These petitions were taken up on the 24th February, 2003. The petitions were admitted and notice of petition was issued. In additions to the issuance of notices, to the Regional Director, Company Law Board, Kanpur and Official Liquidator, citation was also ordered to be published in "Indian Express, Chandigarh Edition (English)" and "Dianik Tribune (Hindi)" and "H.P. Government Rajpatra". These have been duly published. In response to the advertisement of the notice of the petitions in the newspapers and in the and in the H.P. Government Rajpatra, neither any one filed any objection to the grant of sanction to the scheme nor appeared before this Court with the sole exception of Haryana Telecom Limited claiming to be an unsecured creditor of the transferee company. But the transferee company

refuted the contention of the alleged creditor. The transferee company claimed that the alleged creditor owes a sum of Rs. 1,34,53,604/- to the transferee company as against Rs. 72,10,855/- being principal amount claimed by the alleged creditor of the transferee company. It was also submitted that the said Haryana Telecom Limited has filed a winding up petition against the transferee company. The counsel for the transferee company informed the Court that the transferee company has filed an application under Section 8 of the Arbitration & Conciliation Act, 1996 in the winding up petition. To prove their bonafides, the transferee company has deposited with this Court a demand draft for the aforesaid amount of Rs. 72,10,855/- drawn in favour of the Registrar General of this Court subject to the condition that the Court will be pleased to disburse the amount together with interest accrued on this deposit to the successful party in the winding up proceedings. By a separate order of this Court dated 27th March, 2003 in Company Petition No. 7 of 2002, this Court has held that the said amount of Rs. 72,10,885/- shall be kept deposited with the Registrar General of this Court and shall be paid alongwith the interest accrued there-on to the successful party in the winding up proceedings. Thereafter Haryana Telecom Limited withdrew its objections filed in Company Petition No.1 of 2003 on 27-3-2003 opposing the amalgamation of the transferor and transferee companies.

7. The Regional Director has recorded that he has no objection to the proposed scheme of amalgamation being sanctioned by the Court.
8. The Official Liquidator has also in his report stated that the affairs of the transferor company have not been conducted in a manner prejudicial to the interest of the members or to the public interest. He has also stated that he has no objection to the proposed scheme of amalgamation.

In the circumstances narrated hereinabove and having regard to the averments made in the petitions and the material placed on record and since the objection raised by the petitioners alleged creditor - Haryana Telecom Limited has been withdrawn and since the Regional Director has not objected to the scheme being sanctioned by the Court and since no one - else has opposed the scheme of amalgamation, I am satisfied that the prayer made by both, i.e. transferor and transferee companies in their respective petitions deserves to be allowed. Even otherwise also, on examination of the whole case, I do not find any legal impediment for the grant of sanction to the scheme of amalgamation.

Accordingly, the scheme of amalgamation is hereby sanctioned in its entirety under Sections 391 to 394 of the Companies Act, 1956. Consequent to the amalgamation which will be deemed to have taken effect from the appointed date, the transferor company having amalgamated with the transferee company stands dissolved without the process of winding up.

And it is further ordered that on the scheme becoming effective:-

- (i) The shares held by the transferee company in the transferor company shall be cancelled.
- (ii) Optionally fully convertible debentures held by the transferee company in the transferor company shall be cancelled.
- (iii) The balance in the share premium account in the books of the transferee company shall be utilized to write off the miscellaneous expenditure account (to the extent not written off or adjusted) of the transferee company as on 31st March, 2002 plus any further accretion thereto till the appointed date and also the goodwill, if any, generated on the recording of the assets and liabilities of the transferor company in the books of the transferee company, both not exceeding in aggregate Rs. 1100 crore.
- (iv) No shares or consideration shall be issued/paid by the transferee company in respect of the amalgamation under the scheme and accounting treatment prescribed in Clause-6 of the scheme shall be followed.

- (v) Both the petitions stand disposed off in the abovesaid terms.
- (vi) Liberty reserved for applying to this Court seeking directions as may be necessary.

PART-B : THE SCHEME

3. BACKGROUND

HFCL was incorporated at Himachal Pradesh on 11th day of May, 1987. HFCL is engaged in the business of manufacturing of transmission and access equipment, other telecom products and providing turnkey solutions in telecommunication projects.

HFCL-T is a wholly-owned subsidiary of HFCL and a registered Non-Banking Finance Company.

This Scheme is for Amalgamation of HFCL-T with HFCL and the utilisation of the Securities Premium Account of HFCL.

In the present economic scenario, HFCL needs to focus on its core activity of telecom business and reducing the exposure to non-banking financial business. Also, the structure of holding-subsidairy has its disadvantages such as duplicate of administrative efforts, increase in overall cost etc.

Miscellaneous Expenditures Account (to the extent not written off) appearing in the books of HFCL with have negative impact on the future profitability of the Company. HFCL has also got substantial amount lying in the Securities Premium account. Therefore, it is advisable to utilise the amount lying in the Securities Premium account for writing off the Miscellaneous Expenditure account and Goodwill, if any, which may be generated as a result of the amalgamation.

Therefore, the Board of Directors of HFCL has approved the Scheme for reducing the administrative costs and efforts and streamlining the Corporate Structure of HFCL, better presentation of financial statements and for concentrating on core business of HFCL.

The implementation of the Scheme would be beneficial as it would simplify the structure and achieve the purpose of cost efficiency, transparency of operations, better and effective presentation of operating results and effective utilisation of available resources.
