BANDU'S BLOCKBUSTERS

On April 1, four years back, piqued by the incessant jokes in the village at his expense, Bandu Barve decided he'd had enough. It was time for him to turn 'smart'. His dead granny's voice rang in his ears – "Read the papers, Bandya, they tell you all." So, off went Bandu to the stash of newspapers on his father's desk. As luck would have it, the first paper Bandu got his hands on was The Hindu BusinessLine. The stock recos, in particular, had him in thrall. Soon Bandu metamorphosed into an ace investor and trader.

These days, Bandu picks five stocks each Sunday, which he believes will be blockbusters over the next week
