HFCL partners Ingram Micro in India

February 8, 2022, 3:55 pm

Mumbai, Feb 8 (UNI) Telecom equipment manufacturer HFCL on Tuesday said it has signed an agreement with Ingram Micro India for expanding its presence in India. The company has signed a distribution agreement with Ingram Micro, which has a distribution network having a far-reaching presence in India and SAARC countries, it said in a statement issued here. The company said that through this alliance, HFCL is all set to consolidate and further expand its presence and market share. "This alliance will help us further strengthen our position as a 'Trusted Source' in India. It will help further in achieving our mission to provide digital access in every nook and corner of the country through our access solutions, thus, bridging the vast digital divide that exists in the society today," HFCL Managing Director Mahendra Nahata said. Ingram Micro has an established network of more than 20,000 partners, over 30 offices and 2,000 associates across the country, which will distribute HFCL's IO line of products. With its vast global infrastructure and focus on cloud, mobility, technology lifecycle, supply chain and technology solutions, Ingram Micro enables its business partners to operate more efficiently and successfully in the markets they serve, the company said. Commenting on this partnership, Ingram Micro India VP and Chief Country Executive Navneet Singh Bindra said: "With this strategic and technological integration, we are committed to amplifying HFCL's position in the market to collaborate with them for achieving optimal outcomes and moving towards a brighter future for both the enterprises." Economic Times | 08 Feb, 2022 | 08.32PM IST

Stock Market Highlights today: Nifty50 bulls fight back, signal reversal; 17,150 key support level

After starting off on a positive note, the domestic benchmark indices faced selling pressure and gyrated in a tight range. While FII selling kept indices under pressure, investors back home were seen bargain hunting after 3-day fall. Here are highlights from trade:

- Airtel to post Q3 numbers; 50% QoQ fall in PAT likely
- Adani Wilmar lists at discount on exchanges, rebounds later
- Bitcoin near \$44,000; XRP, Shiba Inu zoom up to 20%
- Inox Green files draft IPO paper with Sebi to raise Rs 740 crore
- Vedant Fashions IPO sails through on Day 3

08:16 PM

Wall Street Update

- The S&P 500 and the Nasdaq opened lower on Tuesday as mixed earnings and fresh declines in shares of Meta Platforms added to jitters ahead of inflation data this week that could offer clues on the U.S. Federal Reserve's path of interest rates.
- The Dow Jones Industrial Average rose 69.55 points, or 0.20%, at the open to 35,160.68.
- The S&P 500 opened lower by 3.85 points, or 0.09%, at 4,480.02.
- The Nasdaq Composite dropped 31.24 points, or 0.22%, to 13,984.43 at the opening bell.

HFCL inks distribution pact with Ingram Micro

by WDC TV Staff February 8, 2022 0 42

SHARE 0         

NEW DELHI: HCFL on Tuesday signed a distribution settlement with Ingram Micro India Pvt. Ltd. for its '10' line of merchandise.

HFCL's product portfolio contains WiFi 5 and WiFi 6 entry factors, point-to-point and point-to-multi level unlicensed band radios, L2 and L3 switches and specialised antennas that are designed, developed and manufactured in India retaining in view the worldwide specs.

Ingram Micro is thought for supporting and enhancing the attain of know-how options for maximising adoption and consumption. It has a longtime community of greater than 20,000 companions, 30 workplaces and a couple of,000 associates throughout the nation.

"We're delighted to embark on the journey of our distribution community enlargement with Ingram Micro India Non-public Restricted, which has a stronghold in channel distribution in India and SAARC international locations. The strategic targets of Ingram additionally align with ours, therefore constructing the potential for larger synergies," mentioned Mahendra Nahata, managing director, HFCL.

HCFL is among the many largest suppliers of telecom gear to telecom service suppliers, web service suppliers and public sector items.

"We're happy to affiliate with HFCL because it is among the fastest-growing Indian telecom firms. HFCL gives versatile, customised and dependable Make in India entry options," mentioned Navneet Singh Bindra, vice chairman and chief nation govt, Ingram Micro.

HFCL partners Ingram Micro in India

February 8, 2022 F_Ahmad 24 Views 0 Comments business, Latest News, National news, News, Online news

Insight Online News

Mumbai, Feb 8 : Telecom equipment manufacturer HFCL on Tuesday said it has signed an agreement with Ingram Micro India for expanding its presence in India. The company has signed a distribution agreement with Ingram Micro, which has a distribution network having a far-reaching presence in India and SAARC countries, it said in a statement issued here. The company said that through this alliance, HFCL is all set to consolidate and further expand its presence and market share. "This alliance will help us further strengthen our position as a 'Trusted Source' in India.

It will help further in achieving our mission to provide digital access in every nook and corner of the country through our access solutions, thus, bridging the vast digital divide that exists in the society today," HFCL Managing Director Mahendra Nahata said.

HFCL Appoints Ingram Micro India as a Distributor

HFCL Limited, a leading telecom equipment manufacturer and technology provider, has appointed Ingram Micro as its India distributor.

Ingram Micro has an established network of 20K+ partners, 30+ offices and 2,000 associates across the Country, which will distribute HFCL's IO line of products. The entire product portfolio of HFCL that includes the latest generation Wi-Fi 5 and Wi-Fi 6 Access Points, Point to Point and Point to multi point Unlicensed Band Radios, L2 and L3 switches and specialized antennas have been designed, developed and manufactured in India keeping in view the global specifications i.e., Make in India for the World.

HFCL has recently been accredited as a 'Trusted Source' from National Security Council Secretariat (NSCS) and also being one of the largest suppliers of telecom equipment to the Telecom Service Providers / Internet Service Providers and the Government sector in India, HFCL is all set to consolidate and further expand its presence and market share, through this alliance.

Ingram Micro is renowned for supporting and enhancing the reach of technology solutions for maximizing its adoption and consumption. With its vast global infrastructure and focus on cloud, mobility, technology lifecycle, supply chain and technology solutions, Ingram Micro enables its business partners to operate more efficiently and successfully in the markets they serve.

Speaking about this alliance, Mahendra Nahata, Managing Director, HFCL Limited said, "We are delighted to embark on the journey of our distribution network expansion with Ingram Micro India Private Limited, which has a stronghold in channel distribution in India and SAARC countries. The strategic goals of Ingram also align with ours, hence building the potential for greater synergies. This alliance will help us further strengthen our position as a 'Trusted Source' in India. It will help
