Telecom gear maker HFCL to invest Rs 425 crore under PLI scheme

New Delhi, Nov 1 (PTI) Domestic telecom gear maker HFCL will invest around Rs 425 crore for manufacturing equipment under the production linked incentive scheme in the next four years.

HFCL is one of the 42 companies selected for the telecom PLI scheme which enables it to avail incentives up to Rs 652.79 crore.

"HFCL has committed an investment of around Rs 425 crore towards development and manufacture of various eligible products under the PLI scheme. The incentive amount will be distributed over a period of 5 years commencing from FY 2022-23 to 2026-27, allowing HFCL to be more competitive globally by adding margin-accretive products under its portfolio," it said in a statement on Tuesday.

The company has received an approval to avail incentive of up to Rs 652.79 crore from Small Industries Development Bank of India (SIDBI), Project Management Agency (PMA) and Competent Authority designated by the Government of India on its application for participation in the scheme.

On Monday, the Department of Telecom granted approval to 42 companies, including 28 MSMEs, under the scheme for telecom and networking products, entailing total committed investment of Rs 4,115 crore by the firms.

Out of them, 17 companies have applied for additional incentive of 1 per cent under the design-led manufacturing criteria.

"This approval worth Rs 652.79 crore will help us in improving our margins and enable us to emerge as a front-runner in this competitive global market. Given our current focus on research and development, we are committed to invest around Rs 425 crore for development and manufacturing of futuristic telecom products," HFCL Managing Director Mahendra Nahata said.

HFCL bags approval under PLI Scheme

Mumbai, Nov 1 (UNI) HFCL Limited (HFCL), a leading telecom equipment manufacturer and technology provider said that they have received an approval to avail incentive upto Rs 652.79 crore from Small Industries Development Bank of India (SIDBI), Project Management Agency (PMA) and Competent Authority designated by the Government of India on its application for participation in production-linked incentive (PLI) scheme.

Supporting Government's 'Make in India' initiative, HFCL has participated in the PLI scheme with an aim to build a digital India driven by innovation and growth and will offer equal social and economic development.

The incentive amount will be distributed over a period of 5 years commencing from FY 2022-23 to 2026-27, allowing HFCL to be more competitive globally by adding margin-accretive products under its portfolio.

Launched by the Government in 2020, PLI Scheme supports domestic companies in the development and deployment of futuristic equipment and solutions in the telecom industry with an objective to boost indigenous product development, domestic manufacturing, investments and export of the telecom and networking products. The Union Budget 2022-23 further laid thrust on this scheme for the creation of a strong 5G ecosystem in India by providing an additional incentive of 1% over and above the existing incentives for products that are designed and manufactured in India.

Commenting on this development, Mr. Mahendra Nahata, MD, HFCL, said, "We are delighted to receive the approval on the Production Linked Incentive (PLI) Scheme, and are extremely thankful to our Government for their continuous efforts towards making the 'Make in India' project a success. This approval worth Rs. 652.79 crore will help us in improving our margins and enable us to emerge as a front-runner in this competitive global market. Given our current focus on R&D, we are committed to invest ~Rs.425 crore for development and manufacturing of futuristic telecom products. We aim to make India a global manufacturing hub for Telecom and

HFCL gets nod to avail incentive up to ₹653 crore under PLI scheme in 5G era

NEW DELHI, NOV 1

TELECOM equipment manufacturer HFCL Limited on Tuesday said it has received an approval to avail incentive up to Rs 652.79 crore as part of government's production-linked incentive (PLI) scheme, as the country kicks off the 5G era.

HFCL has received approval from Small Industries Development Bank of India (SIDBI), Project Management Agency (PMA) and Competent Authority designated by the Centre on its application for participation in the PLI scheme.

The company said it has committed an investment of Rs 425 crore in the PLI scheme for manufacturing of telecom prod-

ucts, including 5G Radio equipment, Routers, Switches, WiFi Products and Backhaul Radios, etc.

"This approval worth Rs 652.79 crore will help us in improving our margins and enable us to emerge as a front-runner in this competitive global market. Given our current focus on R&D, we are committed to invest Rs 425 crore for development and manufacturing of futuristic telecom products," said Mahendra Nahata, MD,

HFCL.

There has been a commitment of Rs 4,115 crore of investments from all the participating companies to date under the PLI scheme for telecom and network-

ing products.

The DoT notified the PLI scheme for telecom and networking products on February 24, 2021, with a financial outlay of Rs 12,195 crore, over five years.

The incentive amount will be distributed over a period of five years, commencing from FY 2022-23 to 2026-27, allowing HFCL to be more competitive globally by adding margin-accretive products under its portfolio. – IANS

एचएफसीएल को 5जी युग में पीएलआई योजना के तहत 653 करोड़ रुपए तक की प्रोत्साहन राशि मंजूर

नई दिल्ली, 1 नवम्बर (एजेंसियाँ)। दूरसंचार उपकरण निर्माता एचएफसीएल लिमिटेड ने मंगलवार को कहा कि देश में 5जी युग की शुरुआत के साथ उसे सरकार की प्रोडक्शन-लिंकड प्रोत्साहन (पीएलआई) योजना के तहत 652.79 करोड़ रुपए तक की प्रोत्साहन राशि प्राप्त करने की मंजूरी मिल गई है। एचएफसीएल को पीएलआई योजना में भागीदारी के लिए अपने आवेदन पर भारतीय स्मॉल उद्योग विकास बैंक (एसआईडीबीआई), परियोजना प्रबंधन एजेंसी (पीएमए) और केंद्र द्वारा नामित सक्षम प्राधिकारी से अनुमोदन प्राप्त हुआ है। कंपनी ने कहा कि उसने 5जी रेडियो उपकरण, राउटर, स्विच, वाईफाई उत्पाद और बैकहॉल रेडियो आदि सहित दूरसंचार उत्पादों के निर्माण के लिए पीएलआई योजना में

425 करोड़ रुपये के निवेश की प्रतिबद्धता जताई है।

एचएफसीएल के एमडी महेंद्र नाहटा ने कहा कि 652.79 करोड़ रुपए की यह मंजूरी हमें अपने मार्जिन में सुधार करने में मदद करेगी और हमें इस प्रतिस्पर्धी वैश्विक बाजार में एक अग्रणी के रूप में उभरने में सक्षम बनाएगी। अनुसंधान एवं विकास पर हमारे वर्तमान फोकस को देखते हुए, हम भविष्य के दूरसंचार उत्पादों के

विकास और निर्माण के लिए 425 करोड़ रुपए का निवेश करने के लिए प्रतिबद्ध हैं। दूरसंचार और नेटवर्किंग उत्पादों के लिए पीएलआई योजना के तहत अब तक इसमें शामिल होने वाली कंपनियों से 4,115 करोड़ रुपए के निवेश की प्रतिबद्धता रही है। डीओटी ने 24 फरवरी 2021 को 12,195 करोड़ रुपए के वित्तीय परिव्यय के साथ, पांच वर्षों में दूरसंचार और नेटवर्किंग उत्पादों के लिए पीएलआई योजना को अधिसूचित किया। प्रोत्साहन राशि को वित्तीय वर्ष 2022-23 से 2026-27 तक शुरू होने वाले पांच वर्षों की अवधि में वितरित किया जाएगा, जिससे एचएफसीएल अपने पोर्टफोलियो के तहत मार्जिन-एक्रिक्टिव उत्पादों को जोड़कर वैश्विक स्तर पर अधिक प्रतिस्पर्धी हो सके।

केंद्रीय बजट 2022-23 ने भारत में डिजाइन और निर्मित उत्पादों के लिए मौजूदा प्रोत्साहनों के ऊपर 1 प्रतिशत का अतिरिक्त प्रोत्साहन प्रदान करके भारत में एक मजबूत 5जी पारिस्थितिकी तंत्र के निर्माण के लिए पीएलआई योजना पर जोर दिया। नाहटा ने कहा कि हमारा लक्ष्य दूरसंचार और नेटवर्किंग उत्पादों के लिए भारत को वैश्विक विनिर्माण केंद्र बनाना है और हमें विश्वास है कि यह पहल हमारे देश को स्वदेशी नवीनतम प्रौद्योगिकी उत्पादों के निर्माण और विकास का विस्तार करने में सक्षम बनाएगी। एचएफसीएल ने हाल ही में 5जी आउटडोर स्मॉल सेल के डिजाइन और फिक्स्ड वायरलाइन एक्सेस उत्पाद विकास के लिए क्वालकॉम के साथ तकनीकी सहयोग की घोषणा की।

<https://telecom.economictimes.indiatimes.com/news/tejas-networks-to-invest-rs-750-crore-under-design-led-pli-scheme/95242491>

Earlier, **HFCL** said it will invest Rs 450 crores under the **PLI scheme** and receive incentives to the tune of Rs 652.79 crores between FY2022-23 to FY2026-27.

The telecom gear makers' statements come after the **Ministry of Communications** expanded the PLI scheme for telecom and networking products with a total of 42 companies, including 28 medium and small enterprises (MSMEs), that have been cleared for receiving incentives for a total investment of Rs 4,115 crore.

Of these, 17 companies have applied for an additional 1% incentive under the design-led manufacturing criteria. In addition to HFCL and Tejas Networks, selected companies include global players **Samsung**, **Nokia**, Jabil, Rising Star, and Flextronics, as well as, homegrown ITI, VVDN, among others.

Additional sales of Rs 2.45 lakh crore are expected to be generated while more than 44,000 additional jobs are likely to be created over the five-year scheme period, the ministry said in a statement on Monday.

DoT OKs 42 firms for telecom products PLI, including 17 for design PLI

Of the selected firms, 17 companies have applied for an additional incentive of 1% under design-led manufacturing criteria, the government said in a statement Monday. The selected companies under the scheme include global majors like Samsung, Nokia,...

HFCL to invest ₹425 cr under PLI Scheme for 5G, telecom manufacturing

Photo Credit: Pixabay

Team TC 1 Nov, 2022

Telecom equipment manufacturer HFCL Limited, has committed an investment of ₹425 crore under the production linked incentive (PLI) scheme to manufacture eligible telecom products, including 5G radio equipment, routers, switches, Wi-Fi products, and backhaul radios.

Launched in 2020, the PLI Scheme is an initiative of the Central government to make India a global manufacturing hub for Telecom and Networking products and to boost the export of these products under the Make in India program.

HFCL has also received approval to avail incentive up to ₹652.79 crore from Small Industries Development Bank of India (SIDBI), Project Management Agency (PMA) and competent authority designated by the government on its application for participation in PLI scheme.

(MENAFN- IANS)

New Delhi, Nov 1 (IANS) Telecom equipment manufacturer HFCL Limited on Tuesday said it has received an approval to avail incentive up to Rs 652.79 crore as part of government's production-linked incentive (PLI) scheme, as the country kicks off the 5G era.

HFCL has received approval from Small Industries Development Bank of India (SIDBI), Project Management Agency (PMA) and Competence Authority designated by the Centre on its application for participation in the PLI scheme.

The company said it has committed an investment of Rs 425 crore in

Nifty futures on the Singapore Exchange traded 18 points, or 0.10 per cent higher at 18,237, signaling that Dalal Street was headed for a muted start on Wednesday. Here are a dozen stocks which may buzz the most in today's trade:

Adani Transmission, P&GHH, Dalmia Bharat:

, Procter & Gamble Hygiene & Healthcare, Dalmia Bharat, Mahindra & Mahindra Financial Services, , , , EIH, , and KSB are among the companies that will announce their results for September 2022 quarter today.

Tech Mahindra: The country's fifth largest IT services exporter reported a 4 per cent decline in profit for the September quarter at Rs 1,285 crore, citing a compression in profit margin. The IT major's total revenues rose 20.7 per cent to Rs 13,129 crore for the reporting quarter as against the same period year-ago.

Infosys: The IT major will seek shareholders' nod for its proposed Rs 9,300 crore share buyback between November 3 to December 2 through postal ballot. The Infosys board on October 13 had announced a share buyback of Rs 9,300 crore via the open market route, for a price not exceeding Rs 1,850 per equity share.

Axis Bank: US-based private equity major Bain Capital divested 0.54 per cent stake or 1,66,80,000 shares in the private sector lender at an average price of Rs 891.38 a piece, taking the transaction size to Rs 1,486.82 crore, according to bulk deal data available with BSE.

Adani Ports and SEZ: The Adani Group company's consolidated profit increased by 65.5

HFCL gets approval under PLI Scheme

HFCL Ltd. | Telecommunication - Equipment | Telecom | BSE: 500183 | NSE: HFCL

01 Nov 2022 [Evaluate](#)

HFCL has received approval on incentive upto Rs 652.79 crore from Small Industries Development Bank of India (SIDBI), Project Management Agency (PMA) and Competent Authority designated by the Government of India on its application for participation in production-linked incentive (PLI) scheme. Supporting Government's 'Make in India' initiative, HFCL has participated in the PLI scheme with an aim to build a digital India driven by innovation and growth and will offer equal social and economic development.

There has been a commitment of Rs 4115 crore of investments from all the participating companies under the PLI Scheme, out of which, HFCL has committed an investment of around Rs 425 crore towards development and manufacture of various eligible products under the PLI scheme. The incentive amount will be distributed over a period of 5 years commencing from FY 2022-23 to 2026-27, allowing HFCL to be more competitive globally by adding margin-accretive products under its portfolio.

In the era of 5G, In the era of 5G, HFCL is approved for an incentive of up to Rs 653 crore through the PLI scheme is approved for an incentive of up to Rs 653 crore through the PLI scheme

By Chahat Salini - November 1, 2022

121 0

As the country enters the 5G era, telecom equipment manufacturer HFCL Limited stated that it had received approval to utilise an incentive of up to Rs 652.79 crore as part of the government's PLI program. As the country enters the 5G era, telecom equipment manufacturer HFCL Limited announced on Tuesday that it had received approval to apply for an incentive of up to Rs 652.79 crore as part of the government's production-linked incentive (PLI) scheme.

On its application to participate in the PLI program, HFCL has received approval from the Small Industries Development Bank of India (SIDBI), Project Management Agency (PMA), and Competent Authority designated by the Centre.

The business stated that it had committed an investment of Rs. 425 crore to the PLI scheme for the production of telecom products, such as 5G radio equipment, routers, switches, WiFi products, and backhaul radios, among other things. "This approval in the amount of Rs 652.79 crore will enable us to emerge as a front-runner in this competitive global market and assist us in improving our margins." "We are committed to investing Rs 425 crore for the development and manufacturing of futuristic telecom products given our current focus on R&D," stated Mahendra Nahata, MD of HFCL.
