
FAMILIARIZATION PROGRAM FOR INDEPENDENT DIRECTORS

Regulation 25(7) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 states that the listed entity shall familiarize the independent directors through various programmes about the listed entity, such as nature of the industry in which the listed entity operates; business model of the listed entity; roles, rights responsibility of the independent Directors; and any other relevant information.

1. Objective

The programme aims to provide insight into the Company to enable the Independent Directors to understand its business and operations in depth and contribute significantly to the growth of the Company.

2. Familiarization Process

The Company shall through its Managing Director/Whole-time Director/ Senior Managerial Personnel conduct programmes/ presentations periodically to familiarize the Independent Directors with the strategy, business and operations of the Company.

Such programmes/presentation will provide an opportunity to the Independent Directors to interact with the senior leadership team of the Company and help them to understand the Company's strategy, business model, operations, services and product offerings, organization structure, finance, sales and marketing, human resources, technology, quality of products, facilities and risk management and such other areas as may arise from time to time.

The above programme will also include the familiarization on statutory compliances as a Board member including their roles, rights and responsibilities.

The Company may also circulate news and articles related to the industry from time to time and may provide specific regulatory updates.

The programme will also include the visits to plant from time to time to make them aware about the product lines of the Company.

The above programmes will be conducted for new and continuing Independent Directors of the Company.

3. Disclosure of the Programme(s) and No. of Hours Spent by the Independent Directors:
