STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 1

The following Statement pursuant to Section 102 of the Companies Act, 2013, sets out all material facts relating to the business mentioned at item no.1 in the accompanying Notice.

The initiatives taken by the Government of India in terms of liberalizing the defence sector manufacturing have opened a vast gamut of business opportunities for companies engaged in/ intending to engage in manufacture of defence equipments and necessary steps have also been taken for de-licensing of manufacture of various products by Indian companies. In this regard, it may be noted that the Government of India has *vide* its Press Note No. 3 (2014 Series) dated 26th June, 2014 specified items for which an industrial license is required for manufacture of defence items, and such items amongst others include:-

1. Design, development, manufacture, assembly and upgrades of electronic warfare systems (standalone & integrated) for army, navy, air force, para military and inland security, radar systems and sonar systems, night vision devices.
2. Design, development, manufacture, assembly, system integration of state of the art network centric warfare enablers including tactical and strategic communication system etc.
3. Design, development, assembly and upgrades of ground vehicles namely tanks and other military armoured / armed vehicles and military vehicles fitted with mountings for arms of equipments for mine laying or the launching of munitions.
4. Design, development, manufacture, assembly and upgrades of air defence guns/field artillery, naval guns, tanks, combat vehicles etc.

The Company is currently focused on manufacturing state-of-the-art telecom equipments besides delivering innovative and customized end to end turnkey telecom solutions to various clients. The Company is also manufacturing a complete range of optical fibre cables and is equipped with adequate in-house manufacturing and research and development facilities.

Basis such capabilities and with a view to capitalize on the business opportunities emerging in the defence manufacturing sector, the Company proposes to expand the scope of its business activities and diversify into defence and aerospace sectors and establish itself as credible player in such sectors, with focus on state-of-the-art technology. The objective clearly is to develop capabilities to manufacture state-of-the-art equipments for defence sector thereby contributing in providing a decisive edge to the Indian armed forces and build up a robust indigenous defence industrial base.

The recent push for modernisation and expansion of the Indian Railways would require improvising and expanding existing railway systems and networks including by improvising connectivity, capacity creation, segregation of passenger lines and freight lines, electrification of various routes, introduction of high speed bullet trains etc. and the Board of Directors are of the view that there would be a lot of opportunities for growth in this sector and the Company should foray into this sector.

In order to enable the Company to undertake businesses proposed at the said new clauses 8 and 9, it is proposed that the Main Object Clause of the Memorandum of Association of the Company ("**MOA**") be amended to suitably permit performance of the business covered in the said clauses.

The resolution mentioned at Item No. 1 of the Notice relates to the alteration in the Main Object Clause of the MOA and the proposed additional main objects can be conveniently and advantageously combined and carried out with the existing objects/activities of the Company.

By virtue of Section 13 of the Companies Act, 2013 read with Rule 22 of the Companies (Management and Administration) Rules, 2014, the approval of the members of the Company by way of Special Resolution under postal ballot is a pre-requisite to amend the objects clause of the Company and thus, your approval is sought for the same.

A copy of a) the existing MOA and Articles of Association of the Company; and b) the MOA incorporating the proposed amendments thereto is also available for inspection at the Registered Office of the Company during the normal working hours of the Company up to the date of declaration of the results of the Postal Ballot.

The Board of Directors recommends passing of the Special Resolution as contained in item No. 1 of the Notice.

None of the Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested, financially or otherwise in the aforesaid resolution except to the extent of their shareholding in the Company, if any.
